This book contains two passages: The first one is **Al-bahjat as-saniyya** which informs the tasawwuf, sufism and the words of the great of **tasawwuf**. The second one is **Irgâm al-marîd**. It also explains the tasawwuf and the life-histories of the people of **tasawwuf**. The meaning of the title of the second book is 'refutation of those who deny the **tasawwuf**.

Bu kitâb içinde iki risâle vardır:

Birincisi, (**Behcet-üs-seniyye**) kitâbı olup, tesavvufu ve tesavvuf büyüklerinin sözlerini bildirmektedir.

İkincisi, (**İrgam-ül-merîd**) kitâbıdır. Bu kitâbı, Mustafâ Sabri efendinin ders vekîli olan Muhammed Zâhid Kevserî yazmıştır. Bu da, tesavvufu ve meşhûr tesavvufcuların hâl tercemelerini bildirmektedir. Kitâbın ismi, tesavvufu inkâr edenlere cevâb demektir.
